THE KARNATAKA NURSES, MIDWIVES AND HEALTH VISITORS (AMENDMENT) BILL, 1981.

Motion to Consider

SRI A. K. ABDUL SAMAD (Hon. Minister for Health).— Sir, I beg to move:

“That the Karnataka Nurses, Midwives and Health Visitors (Amendment) Bill, 1981” be taken into consideration.

The question was proposed

SRI A. K. ABDUL SAMAD.— Sir, we have brought this Bill with the intention of enhancing the registration fee from Re. 1 to Rs. 5. This is done to augment the resources of the Nursing Council. We have brought this Bill based on the request of the Nursing Council. The registration fee will be collected once in three years. Therefore, I request that this Bill may be passed. The demand came from the Nursing Council only. They said it is better that the Registration fee be enhanced from Re. 1 to Rs. 5. They wanted more resources. The Government will not retain the enhanced fees; it will go to Nursing Council only.

SRI A. LAKSHMISAGAR.— Sir, I do not see any purpose behind it. What is the total number of nurses and how much they would be able to get by this additional levy? I would like to make a suggestion you please collect the fees only once. There would be so many cases where a nurse goes out of practice or out of profession. Once you collect the fees and make them to renew their Membership. In the case of lawyer, enrolment will be done only once. If a lawyer wants to continue his profession, he will have to approach the Bar Council and renew his Membership. He need not pay any additional charge. You are not going to get any substantial revenue from it. If that is so, instead of making them to renew it once in three years, you make it for life long.

SRI A. K. ABDUL SAMAD.— The Karnataka Nursing Council have maintained a register in this respect. To maintain register and other things, they want the enhancement of fees.

CHAIRMAN.— Now, I will put the consideration motion to vote. The question is:
